Dear Shareholder

Notice of Annual General Meeting

I am pleased to be writing to you with details of the AGM of the Company which we are holding on Thursday 3 May 2012 at 1 p.m. (British Summer Time) at the Company's Offices at 1st Floor, 32 Commercial Street, St Helier, Jersey JE2 3RU. The formal Notice of the AGM is set out on pages 7-9 of this document. The business to be considered at the AGM is as follows:

- Resolutions 1-3 & 6-21 are to be considered as ordinary resolutions.
- Resolutions 4 & 5 are to be considered as special resolutions.

There is a section explaining each resolution set out below and shareholders will have the opportunity to put questions to the Directors before the resolutions are proposed to the meeting.

Resolution 1 - Receive the Annual Report and Accounts for 2011

The Annual Report and Accounts of the Company for the year ended 31 December 2011 (the **Annual Report 2011**) are available on the Company's website at the following link:

<http://www.thephoenixgroup.com/investor-relations/reports-and-accounts/2011.aspx>

Resolution 1 is proposed in order to lay the Annual Report 2011 before the members.

NOTE: Where the term "shareholder" is used in this document, unless specified otherwise, it refers to a holder of Phoenix Group Holdings equity regardless of whether the equity is traded in the form of Ordinary Shares or depositary interests. Similarly, where the term "Ordinary Share" is used in this document, unless specified otherwise, it includes depositary interests.

Resolution 2 - Approve the Directors' Remuneration Report for the Year Ended 31 December 2011

The Directors' Remuneration Report for the year ended 31 December 2011 is available on the Company's website at the following link: <http://www.thephoenixgroup.com/investor-relations/reports-and-accounts/2011.aspx>

Resolution 2 is proposed in order to lay the Directors' Remuneration Report before the members.

Resolution 3 - Authorise the Directors to allot new Ordinary Shares

At the 2011 annual general meeting of the Company, shareholders passed a resolution giving the Directors authority to allot Ordinary Shares. That power will expire at the AGM. Accordingly, the Notice includes a resolution to provide the Directors with authority to allot new Ordinary Shares thereby renewing the previous authority.

The Company is seeking authority to allot Ordinary Shares pursuant to the Fifth Amended and Restated Memorandum and Articles of Association in accordance with the Association of British Insurers (ABI) Institutional Voting Information Services (IVIS) guidelines.

Paragraph A of this resolution provides the Directors with the authority to allot Ordinary Shares up to an aggregate nominal amount equal to €5815.76 (representing 58,157,605 Ordinary Shares). This represents approximately one-third of the Company's issued ordinary share capital as at 22 March 2012 (being the last practicable date prior to publication of this document).

In line with the guidance issued by the ABI, paragraph B of this resolution would give the Directors the authority to allot further Ordinary Shares in connection with a rights issue in favour of holders of Ordinary Shares (or interests therein) up to an aggregate nominal amount, including the Ordinary Shares referred to in paragraph A of this resolution, of €11,631.52 (representing 116,315,210 Ordinary Shares). This amount represents approximately two-thirds of the Company's issued ordinary share capital as at 22 March 2012 (being the last practicable date prior to publication of this document).

The authorities sought under paragraphs A and B of this resolution will expire at the conclusion of the 2013 annual general meeting of the Company (or, if earlier, at the close of business on the date which is 15 months after the date of the AGM).

Without prejudice to the Company's general objective of acquiring businesses (which may involve future issues of Ordinary Shares) in the financial services industry, the Directors have no specific present intention to exercise either of the authorities sought under paragraph A or B with the exception of issues of further Ordinary Shares in accordance with its various executive and employee share plans and its scrip dividend scheme.

For the avoidance of doubt, the Company has authority, in addition to that sought pursuant to this resolution, pursuant to the Fifth Amended and Restated Memorandum and Articles of Association to issue and allot further Ordinary Shares in accordance with its obligations under the warrants it has issued in respect of its Ordinary Shares pursuant to:

- (i) the Lenders' Warrant Agreement dated 2 September 2009 (as detailed in the prospectus issued by the Company on 4 June 2010 (the **Prospectus**) and available on the Company's website at the following link: <http://www.thephoenixgroup.com/investor-relations/archive/archive-key-documents.aspx>);

- (ii) the Amended and Restated Public Warrant Agreement dated 4 June 2010 (as detailed in the Prospectus); and
- (iii) The Royal London Transferable Warrant Agreement and The Royal London Non-Transferable Warrant Agreement both dated 2 September 2009 (each as detailed in the Prospectus),

(together, the **Warrants**).

In addition, the Company has authority pursuant to the Fifth Amended and Restated Memorandum and Articles of Association to issue and allot 3,600,000 Ordinary Shares (the **Event Shares**) to the Selling Shareholders (as detailed in the Prospectus) in aggregate upon:

- (i) an offer being made to acquire all or a majority of the Company's issued ordinary share capital or substantially all the Company's assets; or
- (ii) a person or persons acting in concert (as defined in the UK City Code on Takeovers and Mergers) becoming interested in 50% or more of the voting rights that may ordinarily be cast on a poll at a general meeting of the Company

within three years of the date of Admission (as detailed in the Prospectus).

As at the date of this document the Company holds no Ordinary Shares in treasury.

Resolution 4 - Authorise the limited disapplication of pre-emption rights

At the 2011 annual general meeting of the Company, shareholders passed a special resolution giving the Directors authority to allot equity securities (as that term is defined in Article 13 of the Fifth Amended and Restated Memorandum and Articles of Association) for cash without first being required to offer such securities to existing holders of equity securities in proportion to their existing holdings. That power will expire at the conclusion of the AGM. Accordingly, Resolution 4 is proposed in order to renew that authority.

This authority would be limited to allotments in connection with an offer of equity securities (but in the case of the authority granted under Article 14(b) of the Fifth Amended and Restated Memorandum and Articles of Association by way of a pre-emptive issue only), up to an aggregate nominal amount of €872.36 (representing 8,723,640 Ordinary Shares). This aggregate nominal amount represents approximately 5% of the Company's issued ordinary share capital as at 22 March 2012 (being the last practicable date prior to publication of this document) and is in accordance with the guidance for UK institutional investors and will expire at the conclusion of the 2013 annual general meeting of the Company (or, if earlier, at the close of business on the date which is 15 months after the date of the AGM). In line with those guidelines, it is intended that, within a rolling three year period, usage of this authority in excess of 7.5% should not take place without prior consultation with shareholders.

Resolution 5 - Authorisation for the Company to purchase its own Ordinary Shares

Resolution 5 is seeking the authority for the Company to purchase up to 10% of its issued Ordinary Shares. The Directors have no present intention of exercising the authority to make market purchases, although the authority will provide flexibility to allow the Directors to do so in the future. This authority will only be used when the Directors believe it would be in the best interests of shareholders generally, and could be expected to result in an increase in earnings per share of the Company.

Any Ordinary Shares purchased under the authority will, subject to the Cayman Islands Companies Law (as amended), either be cancelled or held in treasury. Such decisions will be made by the Directors at the time of purchase, although currently the intention is to hold in

treasury rather than cancel any Ordinary Shares the Company buys back. The Company currently has no Ordinary Shares held in treasury. The minimum price, exclusive of expenses, which may be paid for an Ordinary Share is €0.0001. The maximum price, exclusive of expenses, which may be paid for an Ordinary Share is the highest of (i) an amount equal to 105% of the average of the middle market quotations for an Ordinary Share as derived from the Daily Official List of the London Stock Exchange for the five business days immediately preceding the day on which the Ordinary Share is contracted to be purchased and (ii) the higher of the price for the last independent trade and the highest current independent bid on the trading venues where the purchase is carried out.

As at 22 March 2012 (being the last practicable date prior to the publication of this document), there were Warrants, Event Shares and options over 33,174,663 Ordinary Shares in the capital of the Company representing 19.01% of the Company's issued ordinary share capital. If the authority to purchase Ordinary Shares was exercised in full, these Warrants, Event Shares and options would represent 21.13% of the Company's issued ordinary share capital excluding treasury shares.

Resolutions 6 to 18 - Re-election of Directors

The Fifth Amended and Restated Memorandum and Articles of Association require that all of the Directors retire at each AGM and that those wishing to serve again shall submit themselves for re-election by the shareholders (Resolutions 6 to 18 inclusive). Directors' biographies are attached as the Appendix.

Following the performance evaluation undertaken towards the end of 2011, the Board of Directors is satisfied that the performance of each continuing Director continues to be effective and to demonstrate commitment to the role.

As stated in our Report and Accounts enclosed with the AGM notice, I have indicated my intention to retire from the Board during the course of 2012 once a suitable successor has been identified.

Resolution 19 - Payment of a Dividend

The Board of Directors will be recommending to shareholders that they declare and approve the payment of a final dividend of 21 pence per Ordinary Share for the year ended 31 December 2011. If declared and approved, the recommended final dividend will be paid on 8 May 2012 to all shareholders who are on the register of members at the close of business on 10 April 2012. Payment of the final dividend is subject to compliance with the processes set out in Phoenix Group's main credit facilities and the Company expects to announce that these processes have been complied with prior to the AGM when making its scrip dividend announcements.

Resolution 20 - Re-appointment of the Auditor

Shareholders will be asked to approve the re-appointment of Ernst & Young Accountants LLP as the Company's auditor to hold office until the conclusion of the 2013 annual general meeting of the Company.

Resolution 21 - Authorise the Directors to determine the amount of the Auditor's Remuneration

Shareholders will be asked to grant authority to the Directors to determine the Auditor's remuneration.

Recommendation of the Board of Directors

Your Directors believe that all the proposed resolutions to be considered at the AGM as set out in the Notice are in the best interests of the Company and its shareholders as a whole. Accordingly, your Directors unanimously recommend that you vote in favour of them as they intend to do in respect of their own beneficial holdings.

Action to be taken

A form of proxy (or form of instruction for holders of depositary interests representing Ordinary Shares) is enclosed for completion, as appropriate. **Please refer to the notes on pages 10-13 of this document for further information on how to vote.**

Yours sincerely

- (iv) you can attend the AGM and vote in person (or appoint another person to vote on your behalf). If you wish to attend the meeting, you must register with CIS before 1 p.m., (British Summer Time) on 30 April 2012. Electronic voting instructions via the CREST voting system

Depository Interest Holders who are CREST members and who wish to issue an Instruction through the CREST electronic voting appointment service may do so by using the procedures described in the CREST manual (available from www.euroclear.com/CREST). CREST personal members or other CREST sponsored members, and those CREST members who have appointed a voting service provider(s), should refer to their CREST sponsor or voting services provider(s), who will be able to take the appropriate action on their behalf.

In order for instructions made using the CREST service to be valid, the appropriate CREST message (a **CREST Voting Instruction**) must be properly authenticated in accordance with the specifications of Euroclear UK & Ireland Limited (EUI) and must contain the information required for such instructions, as described in the CREST Manual.

The message, regardless of whether it relates to the voting instruction or to an amendment to the instruction given to the Depository must, in order to be valid, be transmitted so as to be received by the issuer's agent (ID 3RA50) no later than 1 p.m., (British Summer Time) on 30 April 2012. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the CREST Voting Instruction by the CREST applications host) from which the issuer's agent is able to retrieve the CREST Voting Instruction by enquiry to CREST in the manner prescribed by CREST.

CREST members and, where applicable, their CREST sponsors or voting service providers should note that EUI does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the transmission of CREST Voting Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider(s), to procure that the CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a CREST Voting Instruction is transmitted by means of the CREST service by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

The Company may treat as invalid a CREST Voting Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.

You may not use any electronic address provided in this document to communicate with the Company for any purposes other than those expressly stated.
